

NEW ASSURANCE COMFORTTRED

with **CANX TECHNOLOGY**

LUXURY CAR

QUIET CANX

COMFORT

ANX TECHNOLOGY

(ADVANCED NOISE CANCELLING TECHNOLOGY)

EXTERIOR – CLOSED PATTERN DESIGN

Closed shoulder and narrower lateral grooves to reduce air pumping noise

COMFORT CUSHION LAYER

A more comfortable and luxurious ride.

COMFORT CUSHION LAYER

Designed with an internal layer with new compound to deliver a quieter and more comfortable ride against rolling noise and vibration.

NEW COMPOUND FORMULATION

Superior Wet Grip

HIGH PERFORMANCE GRIP COMPOUND + HIGH NUMBER OF EDGES

New tread compound with high amount of silica and resin for superior grip performance on wet roads. Increased number of edges for more effective water dispersion. 2 in 1 design delivers shorter wet braking performance.
